

JOHAN SANTANA'S ABOUT TO MAKE HIS MOST IMPORTANT PITCH OF THE SEASON.

Major League Baseball® and Johan Santana are teaming up with the American Academy of Dermatology again for the 9th Annual Play Smart When It Comes To The Sun program. Remember to see your dermatologist regularly as the AAD recommends, and to protect your skin, wear a hat and sunscreen with an SPF of at least 30 whenever you're outdoors. When it comes to the sun, it's all about defense. For more information visit MLB.com
